## TEACHING EXPERIENCE

---

### ENLIGHTIUM ACADEMY 2016–

*Interim Bible Faculty Chair; Course Writing Coordinator; High School Instructor*

- Teach Bible, Psychology, and C.S. Lewis, and help with curriculum development
- Was the first to write an online course for the company since no Psychology courses were offered.
  - As a result, others have followed suit, and now the company has several employees that write courses, filling curriculum gaps that would otherwise exist, and giving us a competitive advantage over other online and/or Christian schools.
- As a result of writing the first course and my expertise with the software, I now provide oversight and guidance to all course writers on content and aesthetics.

### UNIVERSITY OF SOUTHERN MISSISSIPPI 2020

*Adjunct Faculty in Philosophy*

- Taught two 100% online asynchronous sections of *Ethics and the Good Life*.
